Notes

Scheduled Installation - Starting Week of May 18th. Expected time to complete tile installation - 5 days Expected time for shower doors to get installed - 2 weeks after installation of tile Tola Tiles will perform a full shower remodel for the above-referenced client. The scope below reflects all labor and materials required to complete the project. The client is responsible for supplying the tile. All remaining materials are provided by Tola Tiles, including the shower grab bars and the grout. Plumbing: Existing shower plumbing will be retained and reused in its current configuration. No plumbing modifications are included in this scope. Shower Threshold: Tola Tiles will reconfigure the shower entry by reducing the existing lip to the lowest level permitted. Shower Niche: One recessed wall niche will be built and tiled within the shower enclosure to provide integrated storage. Foot Rest / Seat: One shower foot rest or seat will be constructed and tiled within the shower enclosure. Tile Installation: Tola

Tiles will prepare all surfaces and complete full tile installation throughout the shower enclosure using tile supplied by the client. Glass Door: Tola Tiles will supply and install a frameless sliding glass door.
