Summary

Tola Tiles will perform a full shower remodel for the above-referenced client. The scope below reflects all labor and materials required to complete the project. The client is responsible for supplying tile only. All remaining materials are provided by Tola Tiles. Plumbing: Existing shower plumbing will be retained and reused in its current configuration. No plumbing modifications are included in this scope. Shower Threshold: Tola Tiles will reconfigure the shower entry by reducing the existing lip to the lowest level permitted. Shower Niche: One recessed wall niche will be built and tiled within the shower enclosure to provide integrated storage. Foot Rest / Seat: One shower foot rest or seat will be constructed and tiled within the shower enclosure. Tile Installation: Tola Tiles will prepare all surfaces and complete full tile installation throughout the shower enclosure using tile supplied by the client. Glass Door: Tola Tiles will supply and install a frameless sliding glass door.
